CONSIDER SPONSORING A RAPIDLY GROWING AND UNIQUE EDMONTON EVENT

Here's Nina is an annual fundraiser that is becoming wildly popular with the Edmonton community. This year's event features a variety show of incredible performers from all genres and is hosted once again by the irrepressible Sheri Somerville.

The evening will also feature presentations of Edmonton's hottest new arts awards, "The Ninas." Five artists with developmental disabilities from the Nina Artists' Collective will be recognized for artistic achievement and commitment to their artistic practice.

The evening will inspire and uplift all who attend. Don't miss a chance to make a difference while enjoying all things Notable and Nina.
